

THC-FREE CBN ISOLATE

This premium US Farm Bill compliant isolate is THC-free with a 94%+ CBN concentration. Our premium isolate is produced by EcoGen's vertically integrated hemp supply chain -- wholly owned plant genetics, greenhouses, farms, processing and extraction -- ensuring reliable traceability and compliance with every single batch.

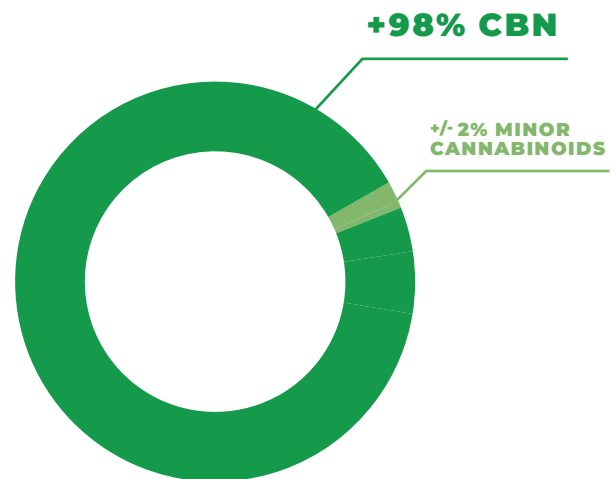

EcoGen Biosciences' innovative clean ethanol extraction process maintains the integrity of valuable phytoconstituents and creates an environmentally friendly whole plant hemp extract. The result is robust CBN concentration free from pesticides, solvents and heavy metals
