

# BROAD SPECTRUM DISTILLATE

This premium, US Farm Bill compliant distillate is THC-free with high CBD potency and a true broad spectrum of minor cannabinoids. The Broad Spectrum Distillate is produced by EcoGen's vertically integrated hemp supply chain -- wholly owned plant genetics, greenhouses, farms, processing and extraction -- ensuring reliable traceability and compliance with every single batch.

EcoGen Biosciences' innovative clean ethanol extraction process maintains the integrity of valuable phytoconstituents and creates an environmentally friendly whole plant hemp extract. The result is robust CBD concentration free from pesticides, solvents and heavy metals.

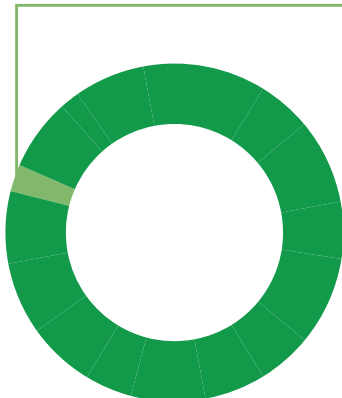

High CBD Concentration  
Non-Detectable THC  
Proprietary Formulations
